Local area description

Located in the heart of Berlin between the New Synagogue, the Telegraph office and the “Postfuhramt”, you’ll find the Heckmann Höfe (http://www.heckmann-hoefe.de) with its mediterranean flair, an oasis in the middle of our pulsating metropolis, Berlin. The proximity to the Hackescher Markt, the Monbijoupark, the Museum Island and the Tacheles speaks for itself. The Heckmann Höfe offer the passage between Oranienburgerstrasse 32 and Auguststrasse 9 and are considered to be an insider tip. On a daily basis familes, tourists, locals and other guest are walking through. In the immediate vicinity/neighborhood, you’ll find numerous gastronomic offers for the participants of your event.

Venue description

Inside the imposing event location "The Werkhaus" in the large courtyard of the historic Heckmann-Höfe, a shop-window of 6,5 m² with a golden frame is being offered as advertising space. Various products or ad formats can be presented or attached to the wall behind it and shown to a wide and frequently changing audience. The LED strips in the shop window provide light effects, therefore your product will also be an eye-catcher in the dark. The shop-window is in the center of our courtyard and is very visible. We are looking forward to your inquiry!
