Venue description

The Quartier is the perfect holiday house for groups of friends who want to spend more than just one evening together. Whether you're celebrating a birthday, planning a reunion with old friends, organizing a group getaway, or hosting a bachelor or bachelorette weekend, the entire property is exclusively yours. Instead of a short gathering, you'll enjoy several unforgettable days together in one place. Throughout your stay, you'll have exclusive use of the entire house. No outside guests, no curfew, and no time pressure. Seventeen en-suite bedrooms accommodate up to 36 guests, offering the perfect balance between social spaces and private retreats. Spacious living areas, a fully equipped shared kitchen, a large terrace, a garden, and a BBQ area provide plenty of room for cooking, dining, and spending quality time together. In the evening, the private bar becomes the heart of the celebration, the dance floor comes alive, and the party naturally continues into the night. The biggest advantage? No one has to leave early. No one has to drive home. Instead, there's time for long conversations, shared laughter, and all those moments that

are often missing from everyday life. Old stories are told again, new memories are made, and a simple reunion turns into an unforgettable weekend. The next morning, everyone gathers once more for breakfast before enjoying another relaxed day together. That's how lasting memories are made.
